

HUNTING INFO:

Tar Hollow State Forest and Park's combined 16,110 acres offer a great variety of plants and wildlife. White and Red Oak dominate this hill covered woodland. The forest varies from areas that have been clear-cut, selectively cut, mature forest growth and selective pine planting. There are many places close to camp for easy hunting. Tar Hollow also has some rugged areas. A wounded deer may put you to work. Dragging a big buck up and down the hills is tough. Please be physically ready. **Please bring any health problems to our attention. People with allergies to bee stings should have emergency bee sting treatment kits; diabetes, heart conditions and severe allergies are things we should be aware of as we are at least 1/2 hour from the nearest hospital.** Be aware of your surroundings. A whistle, compass and a map will help you to avoid getting lost. We provide a large topographical map on which we keep track of the hunters. You will be **REQUIRED** to put your number on the map. This serves two purposes. First, everyone can see where each other is and avoid hunting too close to each other and second, it lets us know where to look should an unfortunate situation arise. This is for your own protection. If you cannot read a topographical map, please ask for assistance.

Each hunter is responsible to follow all hunting and fishing regulations. **Plants and trees are protected and are not to be damaged.** Portable tree stands may be used, **BUT NO SCREW-IN STEPS ARE PERMITTED.** We would ask that you familiarize yourself with the laws and the rules of the park in order that our relationship with the park officials remains unblemished. **State park regulations require hunters to be four hundred feet from roads, trails and buildings before you begin hunting.**

The Lord of the Harvest Archery Club

A Chapter of Christian Bowhunters of America

Invites you to join us in

CELEBRATING

25 YEARS

Of Hosting The

Trophies of Grace Whitetail Deer Hunt

Tar Hollow State Park

Northeast of Chillicothe, Ohio

October 27 to November 4, 2017

gifts for all attendees

Spiritual Challenges

great music

fellowship like no other

And hunting too!!!

GENERAL INFORMATION:

Camp begins at 5:00 on Friday, October 27th and ends after breakfast on Saturday, November 4th. **ARRIVALS BEFORE FRIDAY WILL NOT BE ACCEPTED. NO EXCEPTIONS. SHOULD YOU DECIDE TO COME EARLY, LODGING IS AVAILABLE IN THE PARK CAMPGROUND OR MOTELS IN CHILLICOTHE.** We strongly suggest you eat before arriving at camp as the first official meal will be Saturday breakfast. When possible, we have pizza on Friday evening.

WEEK RATE: Food and lodging for the week is \$250.00 per person (16 yrs & up). Youth (6yrs – 15yrs) will cost \$120.00. Children 5 yrs old and under are free. Please call for special pricing should you be a family with 2 or more children. **Registrations must be postmarked by September 30th. AFTER SEPTEMBER 30TH THE DAY RATE WILL APPLY.** DAY RATE is \$60.00 per person per day (adult) and \$30.00 per day for youth. **NOTE: While there is no additional charge for “walk-ins”, pre-registration, if possible, is greatly appreciated and vital in keeping our costs down. If you are not spending the night, we ask only for a donation towards any meals you may participate in.**

To keep the hunt affordable for all, we ask that everyone perform chore duty. This can cover anything from doing dishes to sweeping floors. If you come for the whole week, we ask that you serve the equivalent of one day (2 – 3 meals). If you are only coming for a few days, we ask for a meal or two. Should this not appeal to you, you can “buy-out” your chore duty for an additional \$50.00. Please note it on your registration form. ****Those serving kitchen duty will have their names put in a drawing for a special prize to be determined.****

MEALS:

Three meals a day are served, cafeteria style, over a 1 ½ to 2-hour period. This allows more flexibility for the hunters to plan their comings and goings into the woods. Provisions are available for those who wish to pack a lunch to take into the woods with them. **Please note that the people who staff our kitchen are unpaid volunteers who consider**

this venture a ministry. They will do whatever they can to accommodate our guests but please remember they are not your wife or mother. If you choose to sleep in on a rainy morning, do not expect the kitchen staff to be holding your breakfast for you. There are self-serve items available in the lodge should you be hungry between serving times. Should you have special dietary needs, please contact our camp cook, Joy. Please note that beer and alcoholic beverages are not permitted in the State Park or on forest property. The Tar Hollow Lodge, the kitchen, game room and all the facility have to be thoroughly cleaned prior to our leaving. Please help us throughout the week by picking up any and all trash, reporting any damage and returning all dishes to the kitchen to be accounted for.

GAME CARE & SUPPLIES:

Tar Hollow Lodge has a screened in porch area where deer can be hung to cool and can be butchered. The packed meat can be frozen in one of the lodge freezers. **NO UNTAGGED DEER WILL BE PERMITTED ON THE PREMISES.** All rules of the game room must be followed. All deer must be registered by the game room coordinator and picture taken prior to butchering. **DEER MUST BE BUTCHERED WITHIN 24 HOURS OF CHECKING INTO THE GAME ROOM.** LOTHAC is not responsible for tainted meat. Please attend to your deer promptly and **clean up your mess.** Others may be waiting to do their deer. Dispose of waste properly. Butchering services are available locally.

LODGING:

Each cabin has 8 bunks. We suggest no more than 5 hunters per cabin so as to allow plenty of room for your gear. Cabins are **NOT** heated and you are responsible for your own heat source (kerosene or propane - **NO ELECTRIC HEATERS PERMITTED.** Please bring your own bedding and linens. We suggest an old throw rug for the floor and a (14' x 18') tarp to stretch across the cabin's rafters. This will help keep the heat down where

you are. There is a restroom/shower house for each group of eight cabins. A lawn chair for sitting around the lodge fireplace will also be appreciated. ****Campers and Trailers are welcome. Electric hook-ups are available on a first registered basis. If you do not register in advance we CANNOT guarantee you will have electric for your camper.** Fly-in hunters will be bunked with hunters who have heat. The roads to the cabins are narrow service roads so a 4-wheel drive vehicle is best. Parking space by your cabin is limited or not existent. Please plan on walking or riding with cabin mates between your cabin and the parking lot. **IT IS ILLEGAL TO CUT TREES AND FOLIAGE TO MAKE MORE SPACE FOR YOUR VEHICLE.**

ADDITIONAL INFORMATION:

- Coin-operated laundry facility is available in the campground. A washer and dryer are available at the lodge for your use (at no charge) **when not in use by the kitchen staff.**
- No pets are permitted.
- No paintball
- No firearms are permitted to be discharged within the state park.

REGISTRATION:

Registrations are being accepted now. 50% deposit is due with your registration. **Each registration, paid in full, and received prior to September 30th will be entered into a drawing for a free 2018 Trophies of Grace Whitetail Deer Hunt. Please make checks payable to “LOTHAC” or “Lord of the Harvest Archery Club”.**
