

LOTHAC meeting 3/29/2010
Mike Peters Chair

Mike opened with a devotional from Philippians 4

4000 CBA magazines were handed out at the Deer & Turkey Expo

Mike went to 2 game dinners, One at Jefferson Nazarene Church in NE Ohio and one at Albany Baptist Church, (Chuck Murray's home church).

Facebook versus LOTHAC website was discussed and consensus seemed to be that LOTHAC page will be for LOTHAC business, and any further discussion will be done at meetings only.

Mike asked that we research qualifications for 501 (c) 3 status for Sycamore Range before any decisions are made and that we should obtain proof of non-liability for LOTHAC in writing from State of Ohio or its representative from ODNR or equivalent.
